LETTER

OF APPRECIATION

This letter is awarded with immense pride to

Dr. Tarana Afrin Chandel
(Faculty Member, Technical Committee)

"Great leadership is about empowering others to innovate and excel."

In recognition of your invaluable contribution to the Technical Committee of Fiesta 2025 at Integral University, held from 18th to 20th February 2025, we extend our deepest gratitude for your dedication, expertise, and unwavering support. Your commitment to ensuring the seamless execution of this grand event has been truly commendable.

From meticulous planning and coordination to tackling challenges with precision, your efforts have been instrumental in making this technical fest a resounding success. Your ability to foster innovation, guide participants, and create a platform that inspires creativity and technical excellence has significantly enhanced the experience for everyone involved.

Your passion, hard work, and leadership have left a lasting impact, shaping Fiesta 2025 into a benchmark of excellence. Thank you for your relentless efforts, invaluable mentorship, and for being a driving force behind this remarkable journey.
